Adams, Anthony I.

Frontend web developer/Ux Designer.

Profile

I am a skilled and innovative Frontend Web Developer with a background in UI/UX design, bringing together the best of both worlds. With a solid foundation in web development languages and frameworks, I am adept at turning creative designs into fully functional and visually appealing websites. My expertise in UX design allows me to create intuitive and user-friendly interfaces that enhance the overall user experience. Proficient in HTML, CSS, Bootstrap, WordPress, JavaScript and React.js. I am committed to staying updated with the latest industry trends to deliver seamless and captivating web solutions. With a passion for crafting engaging digital experiences, I strive to leave a lasting impact through my work.

Work Experience

Feb 2023 – Aug 2023
New Horizon computer institute
Frontend web developer intern

· Utilize HTML5, CSS3, Bootstrap, WordPress, JavaScript and React.js to develop and implement frontend components of web applications.
· Assist in the design and development of user interfaces, ensuring a seamless and intuitive user experience.
· Build responsive and mobile-friendly web applications that are compatible across different browsers and devices.
· Test and debug frontend code to ensure high-quality and bug-free applications.
· Work on assigned projects, such as a food ordering site, a To-Do web app, and a love calculator web app.
· Collaborate with the team to brainstorm ideas and contribute innovative solutions

Feb 2022– Feb 2023
Saint Johns School (NYSC)
Basic Science Teacher

I was in charge of teaching all junior secondary school students basic science and also supervising and attending to their every need during the school hours.

2019
Centre for Community-Based Farming Scheme (COBFAS)
Farm Practical year

My farm practical year experience was an incredible opportunity, i gained hands-on experience in the agricultural industry, had the chance to work with a variety of animals, learnt new skills and developed a greater understanding of the industry. I also had the chance to work with experienced farmers and gained valuable insight into the industry.
